

The League of Women Voters of Marietta-Cobb extends a heartfelt welcome to all other Leagues and Leaguers to attend the League of Women Voters of Georgia State Convention to be held on May 19-20, 2017 in our great County!

The LWVMC has chosen the north part of our county to hold the convention due to traffic congestion in other parts of the county. The convention will be held at the **First Lutheran Church of Kennesaw's fellowship hall**. The church is located on the campus of Kennesaw State University so attendees will be able to enjoy the lovely campus setting. A catered luncheon from a local restaurant will be served.

The evening dinner on the 19th will be held at **Trackside Grill** in old town Kennesaw. Time is 6:30p.m. A nice area in the restaurant has been reserved for us.

If you wish to tour the area before attending the dinner, **Smith Gilbert Gardens** are close by. This facility is one of Cobb County's best kept secrets. It should be lovely in May. Also, in oldtown Kennesaw, the Southern Museum is located. This museum is affiliated with the Smithsonian Museum. Both places have websites for additional information. Staff at both facilities has assured us they would be more than happy to welcome League members.

Of course, if you would just love to shop, the area is a shopping mecca. **Town Center Mall** and many other retail facilities are located close by.

The host hotel for Convention weekend is the **Comfort Suites at Kennesaw State University**. Cost is \$109 per night. The hotel will provide a hot breakfast on the 20th. There is an indoor swimming pool and a fitness center. A shuttle bus will be available, however due to the fact the ladies are leaving that morning to come to the one-day convention most will probably not want to use. Arrangements can be made for a second night if someone wishes to stay until Sunday.

Again, the League of Women Voters of Marietta Cobb is excited to welcome all other League members to our great county. Below you will find addresses, phone numbers & websites for the facilities referenced in this letter.
