MESSAGE FROM THE PRESIDENT

This is the last newsletter before the Annual Meeting. As co-president I thank all of the board for their efforts this year. We have had an excellent year. Janet Cohen the other co-president did an excellent job of voter service with both a candidate's forum and the annual Legislator's coffee. She also coordinated the East Cobber Parade and the Committee for the State Convention.

Gloria Beauchene and Gail Giles did outstanding jobs in the Secretary and Publicity roles. We had articles in the East Cobber, AJC and Marietta Daily Journal. LaVonne Otwell brought us into modern bookkeeping as the Treasurer. We now have a running tally of expenses via computer. Meribeth Cooper did an outstanding job as Membership director and Joanne Bossert published excellent newsletters. As many of you past members know it has been a couple of years since we had the newsletter and Joanne has brought it back. Last but not least many people coordinated many of the individual programs and I must especially thank Pam Flournoy for heading up the Women's History Day event. We are looking forward to the State Convention, the annual meeting and the new year fiscal year of 2009 and 2010.
